DISCUSS LABOR PROBLEM.

Mr. Samuel Gompers Delivers Address

Mr. Samuel Gompers, president of the

American Federation of Labor, addressed

of Northeast Washington last night at the

club rooms, 408 H street northeast, on the

labor question. In the course of his re-

marks Mr. Gompers referred to the letter of

Minister Wu, the Chinese diplomat, to the

certain the expert view on any question

other than the labor question, others are called in for their advice and counsel. Those

who want an impartial view should get the labor side. A good many deny that there is a labor question, but let them go into the sweatshops of New York and St.

Louis and see men, women and children working out their heart's blood from im-

poverished bodies. Let these notice their

aces, marked with premature decay, and

they will realize that there is a labor ques-

which time some form of an entertainment is given for the pleasure of those who at-

ARM CRUSHED.

SPECIAL NOTICES.

I HAVE BEEN UNABLE TO ACKNOWLEDGE until today my keen appreciation of Miss Bessie J. Kibbey's courteous, generous and womanly favor of the 13th ultime. I cannot forget my last interview with Mr. Kibbey, her respected graudfather. He described to me as best he could the inexpressible agony in his chest, that medical aid failed to relieve. I can only briefly explain. I formerly owned the northeast corner of Pa. ave. and 20th st. n.w.; three-story brick; good tenants. It was condemned by the city authorities—the usual result of age and time.

SEWAGE DISPOSAL FIELD.

Commissioners Will Abolish One at

Industrial Home School.

to do away with the sewage disposal field

at the Industrial Home School, and drain-

ing the sewage into the Wisconsin avenue

sewer. There has been some talk of the

United States buying the property now owned by the District and occupied by the

The Navy Department is anxious to se-

cure a wide circle of ground about the cen-

tral buildings of the observatory, in which the sensitive instruments are located. This

wide space is necessary to keep the instru-ments free from outside influences. There-

fore, until this question is decided, or some

definite information is had in regard to the

same, the project for sewage disposal may not go on at this time.

Wisconsin avenue trunk sewer would be something over \$2,000, this including the

cost of a cistern and pumping machinery.

ESCAPES UNINJURED.

General Miles Emerges Safely From

Accident on White Lot.

While driving his fast trotter, Gold Peb-

ble, on the White Lot yesterday afternoon,

Lieut. Gen. Nelson A. Miles met with an

accident, his sleigh turning into the rear

of one driven by William Rackey and be-

ing overturned.

Gen. Miles was thrown to the ground,

but he clung to the reins and managed to control the frightened animal, although he was dragged about fifty yards over the key ground. The cutter was then righted and

ground. The cutter was then righted and the general drove away. He suffered no ill effects from the accident and was at his office at army headquarters today as usual.

BOY BUILDING.

NO RELIEF IS IN SIGHT

COLD WAVE WILL SURELY LINGER

Temperature Will Be Still Lower To-

morrow - Sleighing Good

Throughout the City.

Washingtonians may stick to their furs

and heavy overcoats and wraps for the

next three days at least. The cold wave

that has had us within its grasp since Sunday has become infatuated with the wiles

of the national capital and is loth to depart.

The government's forecaster has been mak-

ing every effort to bring about a change,

but he has found nothing tangible to base

an opinion that warmer weather will come

The indications are that there will be light

falls of snow tonight and tomorrow. The

mercury had gone up a few degrees by

neon today, but out at the weather bureau

the assurance was given that the tempera-

ture tomorrow would be even lower than

it was this morning. It will be considerably colder tonight, too. There are no present indications of a thaw or that the atmosphere will be warmer.

The wind moderated during last night. Before 10 o'clock this morning the sun came

out and the day was an ideal one for win-ter. While the weather will continue cold

there is nothing to suggest any approaching attack of a blizzard.

North Dakota Weather.

But the people of Washington and here-

abouts have every reason to give thanks

that they do not live in North Dakota,

where the temperature this morning was

sunny Kansas it was below, while at St.

Louis the mercury was hovering near the

There was a light snow today in the

Ohio valley, the great lakes region and

through the middle Atlantic states. From

Texas along the middle and north Pacific

coast light rains were reported. In all other districts the weather has been fair.

The sleighing is still good in nearly every part of the city. In some places on Pennsylvania avenue the pavement is bare, and the same is true of several other of the

leading business thoroughfares, but this is not enough to impede the use of sleighs.

The Elks are actively engaged in project-ng a "business carnival" for tomorrow

afternoon. According to present plans the affair will be a parade of sleighs bearing

floats advertising various commercial con-cerns of the city. Charles P. Stohlman, who is promoting the scheme, is authority for the statement that the merchants are

Some Accidents.

Mrs. Mary Mahone, sixty years old, slip-

ped on the ice near 8th and D streets south-

west, about 9 o'clock this morning, and

was injured about the back of her head.

Her injury is not serious. The police re-

Mrs. George W. Evans of 231 Pennsyl-

vania avenue northwest fell on the ice-covered sidewalk near the corner of Penn-

sylvania avenue and 7th street northwest

Among the Charities.

The cold weather has resulted in greatly

increased demands upon the Georgetown

nary circumstances there are about 100

poor families in the west end that from

time to time receive attention from the

local branch, and in exceedingly cold and inclement weather the number is considerably larger. An appeal is made for money

and donations of all kinds. Due credit will be given for everything received. Contri-butions may be left at the office of the

Associated Charities, Prospect avenue and 32d street, while bundles too big to be car-

ried by hand will be sent for immediately upon notification. To do the greatest amount

to relieve existing distress.

of people who spend hundreds in entertain-

FRESH WESTERLY WINDS.

Probably Snow Tonight; Fair Weather

Indicated for Wednesday.

Forecast till 8 p.m. Wednesday: For the

District of Columbia, Delaware, Maryland

and Virginia, probably snow tonight. Wed-

Weather conditions and general forecast: An area of high pressure has moved rap-dly southeastward from the Dakotas with-

in the last twelve hours, and is central this

morning over eastern Kansas. The barometer has fallen sharply over night in the upper lake region and the upper Ohio valley, with light snow. There has also been snow in eastern Iowa, Minnesota and Wisconsin, and rain in southern Texas and on the Pacific coast

The temperature has fallen in eastern

New York, New England, the Missouri val-ley, Kansas and in portions of the south-west. It has risen slowly in the upper Ohio valley, eastern Tennessee and locally in the

east guir states.

Cloudy weather, with snow, is indicated tonight for the lower lake region and the middle Atlantic states. Rain is also indicated for the east gulf coast, Florida and the coast districts of the Carolinas and

Lower temperatures will prevail in the

Lower temperatures will prevail in the gulf states tonight, and in Georgia and Florida Wednesday. It will be warmer tonight in eastern New York, eastern Pennsylvania and New Jersey.

The winds on the gulf coast will become fresh to brisk northerly. Along the south Atlantic coast southwesterly winds will shift to west and northwest. The winds along the middle Atlantic coast will be fresh west to southwest.

Steamers which depart today for European ports will have fresh westerly winds and probably snow flurries to the Grand Banks.

Records for Twenty-Four Hours.

The following were the readings of the thermometer and barometer at the weather

bureau for the twenty-four hours beginning

east gulf states

of good donations should be made at once

No Authority to Remove Snow.

The accounting officers of the District of

Columbia have decided that by adhering

strictly to the terms of the bill passed by

Congress several days ago, appropriating \$5,000 for the removal of snow and ice from cross-walks and gutters of city streets, the street cleaning department has no author-

WASHINGTON HUMANE SOCIETY. Executive Committee Receives Re-

ports for Month of January. The executive committee of the Washington Humane Society held its monthly

meeting at the room of the society, 24 Warder building, yesterday. Miss Loring, chairman of the fountain committee, reported the gift of a fountain by Mrs. T. F. Bayard, Mrs. O. P. Austin was elected a regular member of the society. The agents the members and friends of the Men's Club submitted the following reports of work done during January: Number of cases investigated, 210; animals examined, 602; remedied without prosecution, 173; prosecuted, 37; convicted, 36; acquited, 1; cases of animals unfit to work, 33; animals killed by the agent, 14 horses; cases of beating Secretary of State in which he designated or whipping, 1; cases of overloading, 1; cases of overdriving, 1; driving when galled, 3; driving when lame, 30; lack of food or shelter, 1; collateral deposited, \$158; labor problem; that the idea of any such question being in existence is to be found only in the fevered brain of the modern 'labor agitator.' I realize," he added, "that I am in a position to present the average they from my nearness to the problem collateral forfeited, \$140; amount collected in Police Court for society, \$145; cases to be investigated, 4: cases continued, 3; num-ber of cases assisted by police, 2; personal i am in a position to present the average view from my nearness to the problem. "One of the greatest difficulties with which we have to contend is ignorance. When the average man undertakes to as-

bonds, 3.

Report of the agent for the collection of small animals: Number of cats put to death, 37; number of kittens put to death, 16; other small animals killed, 5. The agent for the children's cases re-ported as follows: Cases investigated, 47; 3: committed to board of children's guardians, 10; recommended to industrial home 4: still under investigation, 8:

CENTRAL LABOR UNION. A Number of Important Matters Con-sidered at Regular Meeting.

Continuing, Mr. Gompers said: "Go to the The Central Labor Union, at its meeting coal mines, where men toil from early morn until late at night, hardly ever seeing the light of day, and rarely ever seeing money, last night, received a communication from the Hospital Attendants' Protective Association in which complaint was made that

who are compelled to purchase their sup-plies from the company's stores; ask them if there is any labor question."

At the conclusion of his address Mr. Gomthe wages of a number of the attendants at St. Elizabeth's Hospital for the Insane were pers answered questions propounded by those who made up the audience. recently reduced and that they had been unsuccessful in having the former rate re-Mr. Gompers was introduced by Mr. S. E. Thornton, chairman of the social commitstored. The matter was referred to a committee, which will bring the complaint to tee of the club. The Revs. Stetson and Rhinelander, Mr. Peters, president of the club, and others occupied seats on the platthe attention of the proper authorities. The legislative committee reported favor-The Men's Club was organized two years ago with a membership of ten. It has since increased its numbers to fifty. Meetings are held every Monday night, at

ably upon a number of measures, among which was the proposition authorizing cer-tain improvements in the District and an advance of funds from the United States treasury in anticipation of the funds of the District on account thereof. Also the Mitchell-Kahn Chinese exclusion bill and bill providing for an educational test of mmigrants.

immigrants.

As recommended by the committee, Congress will be petitioned to provide in the next naval appropriation bill that some of the warships provided for be constructed noon Mr. Amos L. Wood, superintendent

in the navy yards of the country.

It was announced that a meeting under the auspices of the Retail Clerks' International Protective Association will be held on next Friday evening at Typographical Temple for the purpose of forming a union of greeny clerks of grocery clerks.
